

MINUTES OF THE FIFTH EMPANELMENT AND DISCIPLINARY COMMITTEE MEETING

In continuation of fourth Empanelment and Disciplinary Committee meeting, the fifth EDC meeting was held in the office of TNHSP

Points considered for empanelment of the hospitals is as follows

- The grading of the hospital- The hospitals with A1, A2 and S1 is considered
- The hospital with the specialties like Oncology, Cardiology, Cardiothoracic surgery, Dialysis, Ortho, Pediatrics is considered
- The hospital which is far away is considered.
- District wise specialty mapping was done and the missing specialty is considered.
- The ration between the hospital and the district population is taken as a criterion.
- The top 5 performing existing hospitals in a district is considered.
- Private Medical college hospital is considered.
- High end procedure performing hospitals is considered.
- Among the existing hospitals that are performing less than 10 cases per year was not considered along with the hospitals which have not applied online for empanelment.
- Among the newly applied hospitals/ Diagnostic centers, based on mapping the qualified hospitals are empanelled.

The hospitals are now graded based on the documents uploaded and updated by them online. Hence the hospitals have to submit all the pending documents online within a week time. Based on the submission of documents online re-grading of the hospitals will be done. Otherwise they will be in the given present grade itself. The score sheet of the hospitals will be uploaded in the website for transparency in non-editable format.

Based on the documents submitted / inspection report hospitals who meet the criteria of the scheme empanelment has been selected.

The hospitals empaneled should get entry level NABH/ NQAS (GOI standards for Government hospitals) accreditation within twelve months. Otherwise they may not be able to continue in the scheme beyond that period.
