

**MINUTES OF THE FIRST EMPANELMENT**  
**AND DISCIPLINARY COMMITTEE MEETING HELD ON 20.03.2017**

The first EDC meeting was held on 20.03.2017 of TNHSP under the Chairmanship of Project Director (I/c), Thiru.Dr.J.Radhakrishnan, I.A.S. Principle Secretary .The following members participated in the meeting:

Thiru.C.R.Vijayan, General Manager, UIIC.

Dr.T.Selvavinayagam, Additional Director, TNHSP.

As per the instructions issued in the GO .Ms.No.268/EAP I/1 H & FW Dept. dt. 17.11.2016 new tender is floated for implementing CMCHIS. United India Insurance Co. Ltd., has been selected and approved in the GO .Ms.No.8/EAP I/1 H & FW Dept. dt. 10.01.2017 to implement the CMCHIS scheme from 11th January 2017.

Now there is a need to renew/ re-empanel the hospitals under the scheme in order to provide new procedures, revised package rates for the qualified/eligible hospitals. In this regard, the hospitals are instructed to apply online for empanelment in response to the advertisement in the newspaper dated 19.01.2017.

Now we are in the process of empanelling the hospitals, based on the documents submitted online and the inspection report. We may not be able to empanel all the applied/ existing hospitals together in one go because of the work load in scrutinizing the documents. Hence we have decided to empanel the hospitals over a period of one month from now on.

Meanwhile, in order to ensure the continuity of the service, all the contract with the existing hospitals will be extended for one month ( 20.03.17-20.04.17). At the end of this period (20.04.17) if the hospital is not empanelled as new empanelment/fresh empanelment because of failure to fulfill the new criteria and guidelines, they cannot continue as empanelled hospital beyond 20.04.2017.

Though all the existing Government hospitals are empanelled now, they need to apply online and submit the documents before 20.04.17 as per tender conditions. The list of Government hospitals to be empanelled are enclosed in Annexure (A).

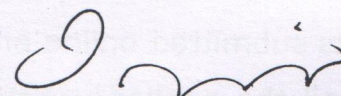

The list of private hospitals to be empanelled are enclosed in Annexure (B).

1.	Total No. of Government hospitals to be empanelled	161
2.	No. of private hospitals to be empanelled	122

Based on the documents submitted/inspection report hospitals who meet the criteria of the scheme empanelment have been selected. The hospitals empanelled should get entry level NABH/ NQAS (GOI standards for Government hospitals) accreditation within twelve months. Otherwise they may not be able to continue in the scheme beyond that period. UIIC to communicate the details given above to all the existing hospitals.

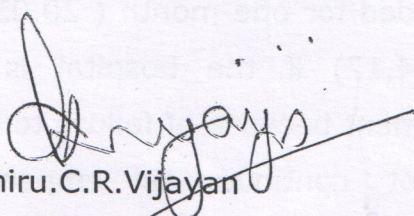

↓ all the above

UIIC / TPA's are instructed to empanel the above list of hospitals, upload the packages, to appoint LO's and give training, create DMO, LO's login ID to access the scheme portal, supply of IEC material and other related activities.
